ADDITIONALLY

1. Use a 0 if a racer was DNF or DSQ
2. Leave blank if the racer is a DNS for the race
3. Ties
 - a. Racers A and B have both finished three races in a discipline. They are tied for points in their best 2/3 races. The racer with higher points in the 3rd race is the higher seed.
 - b. Racers A and B have both finished three races in a discipline. They are tied for points in their best 2/3 races and are tied for points in all three races. The racer with the highest finish place in that discipline will be the higher seed.
 - c. Racer A has finished only races 1 and 3. Racer B has finished races 2 and 3. They are tied for points. The winner of the common race (3) will be the higher seed.
 - d. In the event that the racers are still tied, look to total time. The racer with the lowest total time will be the higher seed.
